Projects

- **Hotel Guest Service Robot.**

November 2015- Feb 2016

Members: Abhishek Rathore, Gorji P. Sampath, Aditya Kumar

This project was based on Atmega 2560 to provide the automatic services to the Hotel Guests as per their need. We won the first position in e-YRC competition amongst many other teams that participated.

- **'J.K. Results' android App.**

Oct 2015- Jan 2016

This project was the part of my Semester projects. This app was developed considering the need to have the results on students phone.

- **'Automated' anroid App.**

May 2015-July 2015

This application was developed to make some features of the phone as automatic. For example, turning wifi on, connecting to a specified network, turning it off at the particular time of the day as per the settings made.
